

## Sports Medicine Instructors Course Update

### What is the Instructor's Course Update?

We are offering a Sports Medicine Course Update opportunity for athletic trainers who have completed the Sports Medicine Instructors course. Current Sports Medicine Course Instructors can attend the full course offered at any of the sites. The Instructor registering for the course update will be allowed to attend the entire course again, or any section/sections of the course he/she chooses. Our offering this continuing education opportunity is encouraged by the TEA due to the course changes reflected in the newly approved Innovative Course applications. This course update is NOT mandatory for offering the innovative sports medicine courses.

### What is in the Course Update?

This voluntary course update course includes the new learning objectives, new teacher resources from the Concepts of Athletic Training, and lesson plan activities for Sports Medicine I. Sports Medicine II includes templates for the evaluation of knowledge and skills included in the course. The newly developed Sports Medicine III syllabus is presented, including templates for student projects.-

### When and Where?

The TSATA Instructor's Course Update will be offered at all the Sports Medicine Course sites listed on tsata.com.

### Cost?

The cost for the Sports Medicine Instructor's Course Update is \$100.00. The instructor must already have completed the Instructor's course.

### Instructor's Credential

All instructor candidates must have completed the SM Instructor's Course, and he/she hold a valid Texas Athletic Trainer's License issued by the Texas Advisory Board of Athletic Trainers, a division of the Texas Department of Licensing and Regulation.
